

## Meeting Minutes

President; Jackie DeMaio

-Don't miss your last chance to audition for Campus Chatter, an exciting new musical! More information is included in the attached documents

- HTAC is cosponsoring the Mobility Challenge!!!! Yay!!!!!!!

For those of you who don't know what this is, the Mobility Challenge is an awareness event by Assistive Medical Technologies (AMT) to highlight the impact of mobility on children with mobility restrictions. Short version: students from different RSOs, Greek Life, etc, will be wearing straps that partially restrict their arm mobility. During the day, you would be doing a photo scavenger hunt and winning prizes for HTAC. From 4-7, there will be a giant Field Event on the Green with free food, games, and giveaways! For more details, see the bottom.

Signing up:

Take the Challenge (October 29th)! Wear the straps for the day, and help highlight the challenges! HTAC will be providing you with a discounted price, so awesome Mobility Challenge T-shirts are 5 dollars! We would love if you got these!

Participate in the Freeze Mob (12:20-12:25, October 23rd)! Between classes for the lunch rush, we will be freezing on the Green! This will be really really fun!!!! If you don't know what it is, basically you just freeze in place (like <http://www.youtube.com/watch?v=jwMj3PJDxuo>).
