-Listed below are the following options each member has to obtain voting rights:

Option 1: A member attends three general HTAC meetings and participates in two activities/events. Activities/events include kiosks, publicity stunts, selling concessions at an HTAC show, ushering for an HTAC show, attending tech days and others at the discretion of the coordinator board. Pit members, light/sound operators and run crew will receive one event/activity credit for each performance in which they participate.

Option 2: A member is a part of a cast or p-staff of an HTAC show and fulfills all of their responsibilities. Responsibilities include attending move-in, attending strike, attending at least one tech day, attending a portion of a publicity stunt and submitting a post-show report.

Option 3: A member participates in five activities/events. (See activities/events listed above.)

Option 4: Petitioning the Coordinator Board. If extenuating circumstances preclude a member from meeting the requirements for the other options above, they may petition the Coordinator Board by way of formal e-mail submitted by the date and time of the Coordinator meeting prior to the general meeting where the voting will take place.

I will do my best to send people emails who are in danger of not obtaining voting rights at some point in the middle of the semester. If you have any questions, comments, or concerns, feel free to email mcabrero@udel.edu

-Question of the week: What is the corniest joke you know?

A winner will be chosen at every meeting, but in order to collect your prize you must be present at the meeting. If not, the prize will go to the second best choice. Make sure you're attending!
